SPONSORSHIP OPPORTUNITIES

Meeting Goals

- HL7® FHIR® Specification for the European Health Data Space (EHDS)
- Priority Domains: EU Core Profiles, Laboratory Report, Patient Summary, Discharge Report, Medication, Imaging
- Hands-on and Tutorials
- Networking with Experts
- HL7 Europe Initiatives and Projects

After Athens in 2024 and Lisbon in February 2025, the 3rd **HL7 Europe Working Group Meeting** will take place in Cologne, Germany, dedicated to continued work on the HL7® FHIR® Specifications for the European Health Data Space (EHDS) and the European EHR Exchange Format (EEHRxF).

This is a brilliant opportunity to support the European FHIR community, bring the standard forward and make your company visible for current and future EHDS activities.
